### PROGRAM AND EXCURSIONS

#### DAY 2

Individual Breakfast at the hotel and group transfer to Óbidos.

The picturesque city is surrounded by the ancient wall that belongs to the manorial castle, a perfect example of a medieval fortress.

You will discover the beautiful “village-museum” and its surrounding on a guided “Nordic-Walking” or “Bike” tour. Passing by rolling hills and the windmills that are so typical for this scenery you will also find out more about the famous “Ginja”.

Picknick-Lunch will be organised on the countryside.

The afternoon you will spend in Nazaré, the most typical beach in Portugal. This is a place full of old traditions and today we can still see fishermen drying fish under the sun! This is a wonderful place to refresh yourself in the blue waters or take a walk along the golden sands.

Dinner will be served in an ancient convent in the medieval town of UNESCO world heritage, Óbidos. The traditional Portuguese dishes are accompanied by a fine selection of wines and during this evening you will certainly experience the Portuguese Lifestyle.

#### DAY 3

Individual Breakfast at the hotel and group transfer to Arrábida.

Arrábida is a beautiful 10 000 ha national park located in the South of Lisbon between Sesimbra and Sétubal. Two sceneries mark the park's nature; in the north wine yards, olive trees, and pines. In the south stone pines and cypress forests dominate, and white or ochre cliffs drop out in the deep turquoise atlantic ocean .

On our 4x4 off-road tour you will discover this fantastic landscape. In the fisherman's village Sesimbra you will enjoy a fresh seafood lunch and in the afternoon our boat will take you out on the sea. With a bit of luck you will watch some dolphins along the “dolphin coast” on our way up to Setubal.

Group transfer from Setubal back to your Hotel in Praia d'El Rey.

A special Dinner – Event will be organised in the beautiful location of your Hotel....be surprised and inspired!
